

# 14th International Conference on Solid State Chemistry (SSC 2020)

September 6–10, 2020 | Trenčín, Slovak Republic | Alexander Dubček University of Trenčín

Dear Colleagues,  
We look forward to meeting you in September 2020 in Trenčín.

**Please register at [www.funlass.eu/ssc2020](http://www.funlass.eu/ssc2020)**  
**The deadline for abstract submission is March 20, 2020.**

Professor Dušan Galusek, DrSc.  
Chairman of the 14th International Conference  
on Solid State Chemistry

## CONFERENCE TOPICS:

- Advances in solid state materials synthesis, new solids and compounds
- Solid thin films deposition by physical and chemical techniques, ALD technique
- Advanced characterisation techniques
- Atomic and electronic structure of solids
- Photonic and optical properties of solids
- Electrochemistry
- Physical chemistry of solids
- Computation and theoretical aspects
- Advanced glasses, ceramics and polymeric materials and nano materials
- Microporous/mesoporous materials
- Chalcogenide, oxide, hydride materials
- 2D materials, surfaces, interfaces, hybrid- and nanostructured solids
- Functional materials
- Materials and processes of data storage
- Materials for renewable energy production and storage
- Advanced manufacturing
- Green chemistry
