

INSTRUCTIONS FOR AUTHORS

Paper submission

Contributions will be presented as talks and posters. Authors should indicate the preferred form of presentation. However, the scientific committee reserves the right to make the final decision.

All submitted papers must follow the template available at www.funlass.eu/ssc2021 (button: call for papers). Please email one-page abstract (in English) to ssc2021@funlass.eu. Application without abstract is incomplete and will not be considered.

The deadline for submission of oral or poster presentation is March 12, 2021.

Posters may be accepted up to the beginning of conference, but only those received by March 12, 2021 will be included into the Programme and the conference Book of Abstracts. The authors will be informed about acceptance of their contributions till March 31, 2021.

At least one of the authors must register as a participant and settle the registration fee before March 26, 2021, otherwise the paper will be withdrawn from the Final programme.

Authors may update the original abstract before March 31, 2021. However, it is not possible to change the title of the presentation. In such cases and after March 31, 2021, please contact the Organising committee by e-mail on ssc2021@funlass.eu.

Abstract instructions

The abstract (one page, English, *.doc) has to be prepared according to the "Abstract Template". The authors are responsible for the text of their abstracts and their appropriate graphical design. The abstract that does not meet the requirements given in Abstract Template will not be accepted and the author will be notified.

Publication policy

All summaries of lectures and posters received before March 12, 2021 will appear in Book of Abstracts.
